

Media: E-mail (maximum file size 5 MB), CD/DVD Rom or FTP
Please label CDs/e-mail with name of advertiser and issue date

■ **Preferred format: PDF**

- Files should be 100% complete with all hi-resolution images and fonts embedded.
- Color files must be CMYK format. Spot colors will be converted to process unless indicated otherwise.
- PDF documents must contain Type 1 postscript fonts. Truetype and Multiple Master fonts are not supported.
- Page files should be built to the trim size with the bleed area extending 1/8" beyond the trim. Keep all text and images within the live area (1/4" in from trim).
- Images should be TIFF or EPS format in CMYK or Grayscale. Do not embed ICC profile with images. Total ink density should not exceed 300%.
- Offset printer's marks at 12 points from trim so they do not appear within the print or bleed area.

- **Proofs:** All color ads must include a SWOP standard color proof.
